TERMS

Prices herein are net F. O. B. Portland, Oregon, when packed in bulk, or if boxed or baled, cost of such packing will be added when invoiced.

Cash or satisfactory reference before shipment is required. To established Nurserymen who are known to us or who give satisfactory references, a credit of 60 days from date of invoice will be given, a discount of 3% for cash with order, 2% in 10 days, 1% in 30 days will be allowed. All bills are due and payable sixty days from date of invoice. Interest at the rate of 6% per annum will be charged on all past due accounts.

Digging and shipping season begins with us in October, and continues into April with but little interruption on account of climatic conditions.

GUARANTEE OF GENUINENESS

We exercise care to have our trees and plants true to name and will upon proper proof replace free any trees or plants that prove untrue to label. It is, however, understood and agreed between the purchaser and ourselves that we are not to be held liable for any sum greater than that paid us for such trees that may prove untrue.

Orders are accepted by us only upon the mutual agreement between the purchaser and ourselves that we shall not be held responsible for other damages.

Claims, arising from any cause, must be made promptly on receipt of shipment. We cannot entertain claims made after stock has been accepted. All claims must be filed within ten days after shipment has been received from carrier.

NOTICE

Ownership passes and all Nursery stock shipped by us is at the risk of purchaser upon being delivered in good condition to carrier at point of shipment. Any and all claims for damage in transit should be filed immediately with agent of carrier at point of delivery.

Certificate of Horticultural inspection will accompany each shipment.

This trade list cancels all previous prices and quotations made.

All orders are accepted by us on condition that they shall be void should injury befall the stock from any cause over which we have no control.

State plainly in ordering whether we shall ship by Freight, Express, or Parcel Post. If by Freight, name transportation line over which shipment is to go.

Supply and demand ever will be the yardstick that measures values. The supply of tomorrow may change the value of yesterday in any commodity and also the demand of tomorrow may quickly change the price value of yesterday. We are always ready to meet the conditions of today. We reserve the right to change our prices without notice.

FRUIT TREES

Both caliper and height are taken into consideration in grading our fruit trees. In most cases the trees will run somewhat taller than the height specified.

All two-year trees are headed and branched.
